# Deprecated Versions

This page includes the deprecated versions of the InCommon Assurance Assessment Framework and the Identity Assurance Profiles:

- Community Review - 1.2 - June 2012
- FICAM-draft - 1.2 - November 2012
- Community Release Candidates 1.2 - January 2013
- 1.1 - May 2011

## Community Review - 1.2 - June 2012

Reviewed by the Community in April and May, approved by the Assurance Advisory and Steering Committees, and submitted to FICAM in June for approval.

Profiles

## FICAM-draft - 1.2 - November 2012

After negotiation with FICAM in October and November, InCommon submitted this DRAFT to FICAM in November 2012. Once FICAM approves the update version, InCommon will hold a short Community Review of the changed sections. This draft is Community FYI only.
