Enterprise Architecture Maturity Review

Date: _____

EA Practice:

_____

Your name and title:

_____

Scope of the EA practice:

_____

_____

_____

_____

Review by Maturity Attribute

In the following sections, for each maturity attribute, please briefly describe your current state. After completing the current state go through a second time and indicate planned changes to advance maturity. Use the EAMM-edu as a guide. https://spaces.at.internet2.edu/display/itana/EA+Maturity+Model+Home

Once you've reviewed each attribute, in the table below, indicate how you currently see the maturity level of your EA practice. (Please place an "x" on each row for your current state and an "**X**" in each row for your future state.)

	1. Initiating	2. Formed	3. Defined	4. Managed	5. Improving
A. Scope Definition					
B. Engagement					
C. Impact Assessment					
D. Delivery					
E. Management
