Upcoming ServiceNow Webinars

There are currently no new ServiceNow higher education webinars scheduled. Please send us an email at netplus@internet2.edu with webinar topics you would like to see posted!

ServiceNow Advisory Board Updates

Upcoming Meeting: April 5, 2021

The next ServiceNow Advisory Board Meeting will be held on April 5, 2021 Agenda topics for this meeting include:

- *Quebec Business Model Review*
- *Accessibility Group Charter Review*
- *Discussion on Enterprise Service Management Licensing with ServiceNow*
- *Discuss Framework for Common Service Data Models*

The agendas for all ServiceNow Advisory Board meetings can be found [here](#). Please note; the agenda for the March meeting was repurposed for newly released business

models based on the Quebec release and the agenda for April looks strangely similar to the previous month's agenda.

March Meeting Recap

The March meeting was gathered around the newly released agenda around the anticipated business models for Quebec. The NET+ ServiceNow Advisory Board was presented with the details around this new model sans pricing and was reviewed in detail.

In order to fully understand the model, Advisory Board members are planning to go through the exercise of examples for each of the modules as well as reviewing pricing associated with them.

SNOW Higher Education Group - Mailing List

This mailing list is for ServiceNow customers or potential customers who are members of higher education institutions. There are many collaborative resources available for ServiceNow customers, for ITIL/ITSM, and for higher education, but none specifically in the space that crosses all three. In that context Karen Van Dusen (Carnegie Mellon University) and Hillary Rosenfeld (Boston University) maintain this list for anyone who is a ServiceNow customer and in higher education. Topics typically range from ServiceNow implementation and adoption strategies in higher ed to networking planning for events like ServiceNow's Knowledge conferences.

To participate visit (no vendors please): groups.google.com/group/snow-higher-ed

The most recent topics of discussion on this mailing list were:

- Work Intake process
- IntegrationHub Microsoft Teams Graph Spoke
- Search Index for Public Facing Portal Content
- Higher Ed and ServiceNow Virtual Agent
- Questions & Concerns Regarding Multi-Factor Authentication

Higher Education Collaborative Resources for ITSM (IT Service Management)

itSMF is a not for profit international organization focused on IT Service Management. The Higher Education Community of Interest Group is devoted to discussion, development, and adoption of IT Service Management principles in support of institutions of higher education.

- itSMF USA - Higher Education Community of Interest (CoI)
