5/12/23 ITANA Call Notes

Topic: **New2EA: Reflections and Lessons Learned from the First Cohort**

Agenda:

1. Roll Call (East to West) Name and Institution
2. Call for a Scribe – Stacy Divine
3. Main Topic – New2EA Reflection Presentation

<https://docs.google.com/presentation/d/1NOcYYtELi71EMpg7ErAWXMI19m3Me48kIzFsU51xbk4/edit?usp=sharing>

- Presenters:
Kelsey Lunsmann, Marlon Raghunanan, Carrie Bilko, Stephanie Warner, Loring Hummel, Ashish Pandit,
Recorded case study presented by Alan Cecchini and Daniel Poole from Newcastle University with interview by Naresh Seegobin
- Networking was a primary driver for those that joined the cohort (cohort was 15 people)
- Leadership is a key skill, specifically emotional intelligence, and the ability to “lead from the side”
- Understanding EA Archetypes: Ad-Hoc, Operational Excellence, Digital Transformation
- Each practice is unique and relative to the organization
- Participant Feedback:
 - wish the case studies had been recorded for later review because they were so well delivered.
 - homework really helped to bring it all together
 - the triad model was successful and presented opportunity to make lasting connections with other participants. (note: triads were changed up between most of the sessions).

If you are interested – the call is open for the 2023-2024 cohort!

4. Itana Org Updates
 - Survey will be coming out to reflect on the past year
5. Close
