

## NET+ BPLAC Meeting Summary

July 13, 2022

Attendees: Emily Perry, Bobby Clark, Loren Malm, Joe Holewa, Emma Levett, Lester Greenman, Berni Kenney, Nikki Maloney, Nick Lewis, Kevin Morooney, Sean O'Brien, Sue Gavazzi

- Members approved the [June 2022 Summary](#) notes.
- Loren provided information on the EDUCAUSE Annual conference and members discussed potential opportunities for BPLAC to participate, including meeting with the [ITPSM community group](#) and a NET+ sponsored social event.
- Bobby and Sean proposed that BPLAC sponsor a working group to develop materials on best practices for vendor management. Emily volunteered to lead the group and will meet with Bobby, Matt, Sean and Sue to draft a formal charge.
- Nick provided an overview of [HECVAT](#) – vendor use, community use, and NET+'s role in supporting its evolution. Members provided examples of how the HECVAT and other security assessment tools are used in their reviews and discussed thresholds that require the HECVAT versus SOC 2. One member school indicated they use a third party contractor to review vendors.
