

NET+ BPLAC Meeting Summary

November 9, 2022

Attendees: Leah McGrath (StateRAMP), Noah Brown (StateRAMP), Emily Perry, Matt D'Emilio, Bobby Clark, Loren Malm, Emma Levett, Carrie Shumaker, Lester Greenman, Marra Austin, Berni Kenney, Nikki Maloney, Sue Gavazzi

- Members approved the [Oct 2022 Summary](#) notes.
- Emily provided an update on the VMWG Kickoff meeting from Nov 7th. General timelines, expectations, and deliverables were discussed. The next meeting is scheduled for Dec 5th with the full working group.
- Leah McGrath, Executive Director, and Noah Brown, PMO Director, from [StateRAMP](#) presented on the history, activities, and roadmap of the organization. They explained their funding model and their processes for verifying a cloud product meets and maintains minimum security standards. Members invited them to return for additional discussion.
- Lester solicited input from members on their experience with accessibility lawsuits pertaining to websites used for athletic events, particularly ticket and merchandise sales.
