### June Meeting Recap

This month's meeting consisted of several important updates regarding I2 Online, the ServiceNow Accessibility Community Group, the NET+ ServiceNow Service Advisory Board Charge and Bylaws, as well as the NET+ Institutional Profiles.

We are in the process of planning an Internet2 Online Event on ServiceNow for the community with the subject matter of Governance Structures and Best Practices. We are still looking for and accepting recommendations for institutions believed to be leaders in this area to participate in this event and present to the community. Please reach out to Matthew Buss ([mbuss@internet2.edu](mailto:mbuss@internet2.edu)) if you are interested or would like to nominate a community "leader" for this event.

Thank you to all of those who participated in this month's meeting - your valuable feedback and discussion is what allows our community to continually evolve and improve.
