## Business Models

- Primary Focus of 2<sup>nd</sup> Quilt/InCommon Workshop – Feb 2014

- Models essentially came down to the amount of work a Regional was willing to do on behalf of InCommon, and/or their constituents

- Registration Authority Model – InC ½ of the equation

- Steward Model –> Soup-to-Nuts
  - Organizational Vetting
  - Metadata Management (Testing, Manual Review, etc.)
  - IdP Management/Hosting
  - Represent Constituents within InCommon

# Exploring Federation for K-12 and Community Colleges

## Steward Model Pilot

- Defined responsibilities of the Steward and InCommon (Term Sheets)

- Reviewed existing documents and proposed changes to support the model

- Created "new" documents (Steward Addendum, Cost Model with deliverables for both sides)

- Provided updated documents to InCommon Steering

- Currently being reviewed by InCommon Legal
