# CSU – Pueblo Quilt & InCommon Pilot Program

September 25, 2014

Sal Acuna  
Victoria Marquesen  
Mark Welte  
Janet Yarbough

# Why?

- CSU-Pueblo and Pueblo D70, Delores Huerta, Canon City, and Online Goal Academy high schools have identified a need for program sharing and joint advising/mentoring activities
- Initial activities will increase high school students' enrollment in college credit classes (e.g., Senior to Sophomore)
- Current registration is paperwork intensive and time consuming
- Student must maintain 2 sets of credentials
- Path from high school to college is not seamless
- Need for increased student success in transition to post secondary

# Participants

- Colorado State University – Pueblo
  - Regional University, Hispanic Serving Institution, Part of CSU System
- Pueblo County District 70 – Stage 1
  - Rural/suburban School District: K – 12
- Cesar Chavez Academy– Stage 2
  - Urban Charter School: K – 12
- Goal Academy– Stage 2
  - Online Charter School: 7 – 12
- Canon City School District – Stage 2
  - Rural School District: K – 12
- Aegis Identity

# Pilot Overview

- CSU-Pueblo will be the IdP provider using Shibboleth
- Service providers (SP) set up for applications Blackboard, Office 365, CSU-Pueblo library, and campus student management system
- Incommon Federation Identity
- Aegis Identity will be interface for administration
- Initial student participation will be 4700 for CSU-Pueblo and 1000 for District 70 and 600 for Canon City
- Student participation will increase with each stage of pilot

# Goals

- Short Term

- Seamless transition for students from high school to college
- Career based post secondary planning
- Efficient path to get students into college
- Provide services critical for learning, advising, and retention

- Long Term Goals

- Southern Colorado Partnership for College and Career Readiness
- Career planning and mentoring for students P-20
- Increase post secondary enrollment rates of Southern Colorado

# Challenges

- Participants have not worked together on information technology projects
- Data and more data...
- Staffing and time
- CSU-Pueblo Domain name change
- Funding pilot to full implementation of Southern Colorado Partnership for College and Career Readiness
- Participation with other school districts
