Face2Face 2014

Governance and Enterprise Architecture - Delivering Impact

EDUCAUSE 2014 - Orlando, FL

About ITANA

ITANA is focused on developing the skills, tools and a suite of resources to assist institutions with their enterprise, business and technical architectural needs. ITANA serves higher education while drawing from other architecture groups and vendors as needed.

Architecture & Disruptive Change in Higher Education

EDUCAUSE 2012 - Denver, CO

Face2Face 2013

Enterprise Architecture in Action.
Delivering Business Value

EDUCAUSE 2013 - Anaheim, CA

If you are doing something in EA and you can't draw a clear line of sight back to what that means to the business, then you should be asking yourself why are you doing it at all.

– Betsy Burton, VP Distinguished Analyst, Gartner
Best and Worst Practices in Enterprise & Application Architecture.
