Welcome

Welcome to the NET+ ServiceNow wiki. Many Internet2 member institutions take advantage of this service offering. If your institution is one of them then this wiki will provide details on how to make the most of your participation of the program and interact with peers across Internet2 member institutions.

This program is open to all Internet2 Higher Education and Affiliate Members and non-members. If you are looking for details on how to join the program, add licenses as a existing participant or move to the latest version of the NET+ ServiceNow Customer Agreement, please visit the Participate Tab of the NET+ ServiceNow webpage.

Subscribers may review our mailing list archives for monthly updates on the program and the ServiceNow product.

Key Program Updates

Subscribers may review our mailing list archives (Coming Soon) for monthly updates on the program as well as review NET+ ServiceNow Service Advisory Board agendas. If you have further questions on this, please email netplus@internet2.edu.

NET+ ServiceNow Newsletter

The October 2023 Issue of the NET+ ServiceNow newsletter is out for your review. Please let us know if you have any questions or comments. We are always looking for feedback to make this better suited for your needs. Thank you.

NET+ ServiceNow Townhall Series

One of the benefits of being in the program is the ability to attend specific higher education townhalls. Here you can listen to your peers as to how they use specific areas of the ServiceNow platform and often here from ServiceNow experts as well.

Higher Education Summit @ Knowledge23

We are once again holding our annual Higher Education Summit at ServiceNow’s Knowledge conference. Please register and attend as the last one was very valuable.

Community Resources

ServiceNow Higher Education Virtual Forum (Sept 2020)

Virtual Forum: At the core of every educational institution is the student; prospective, attending and graduated. As we see more online education even at the traditional institutions, there is an accelerated need for campuses to invest in new strategies and technologies providing an improved student experience.

Higher Education Webinar Series by ServiceNow

ServiceNow is hosting a four part webinar series on getting back to campus. Internet2 membership is not required nor is participation in the NET+ ServiceNow program.

The NET+ ServiceNow program is managed by an Internet2 program manager with the support of the NET+ ServiceNow Service Advisory Board.
Preparing for the continuity of education and enabling students and faculty to adapt to a virtual environment is essential for universities in response to the ongoing health crisis. The global COVID-19 pandemic will have a lasting impact on education, accelerating the need for universities to invest in new strategies, tools, and technologies that will provide integrated learning experiences, both on and off campus. Click here for more details.

Participate in our Online Community (Participants Only):
