InCommon Federation makes possible trustworthy academic collaboration that reaches far beyond what a single organization can do on its own, through identity and access management technologies and services that are integrated across the globe. Learn how you can participate:

- READ THIS FIRST: Understanding Federation in Research and Education
- Join the InCommon Federation
- Putting things into Gear - Get Going with InCommon Federation
- Working with User Data
- Meet Baseline Expectations
- Adopt SAML 2.0 Deployment Profile

For more information, please visit the InCommon Federation Library. If you have any questions or need further assistance, please feel free to contact us.
