InCommon Technical Advisory Committee

About

The InCommon Technical Advisory Committee (TAC) supports InCommon's mission "to create and support a common framework for trustworthy shared management of access to online resources." It is an advisory body to the InCommon Steering Committee. It provides advice on InCommon's operational processes and practices, strategies, capabilities, and roadmap to InCommon Steering and to InCommon Operations (OPS). The TAC meets biweekly throughout the year. Members serve three-year terms.
