October 14, 2021

Since we asked you to support the science community's call to action to help support COVID-19 research in Spring of 2020, more than 120 institutions have "flipped the switch" to support attribute release under REFEDS Research and Scholarship entity category.

As of October 14, 2021, 271 IDPs registered in InCommon support the REFEDS Research and Scholarship category.
