

Possible List of Issues and Practices to Address

Below is a brainstormed list of possible issues and practices for which we could develop community guidance:

Issues and Practices	Notes	Priority/ Status	Related Orgs
Attribute Release			
Practices and Standards for Roles			
Resource lists: What standard practices are out there already?			
What's needed for different LoAs and InCommon Silver?			
What do campuses need to do to prepare for federating?			
Best practices for dealing with opportunities with federations			
Loose Affiliates in the context of Levels of Assurance			
Enrollment verification	Can we streamline this? What can we release?		
FERPA and Federated Identity			
Repeatable Process for Adding a Service Provider and develop recommendations for Student Services/Data Release			
Review/Make a statement about eduPerson Schema
