The InCommon Community Assurance call Wednesday, June 7 at noon ET. focused on Baseline Expectations Implementation.

Baseline Expectations for Trust in Federation were vetted and approved in fall of 2016. To move this work forward, the InCommon Assurance Advisory Committee (AAC) has developed a draft Baseline Expectations Implementation plan which will be presented on this call. We look forward to the community's input and comments. Please review the key documents prior to the June 7, 2017 call: https://spaces.at.internet2.edu/x/E5qTBg
