

# ACAMP 2017 Home

## Welcome to Advance CAMP: Trust and Identity Summit 2017

**Wednesday, October 18 and Thursday (morning), October 19  
at the 2017 Internet2 Technology Exchange**

Advance CAMP: Trust and Identity Summit is an **Unconference**, with agenda-setting took place Wednesday morning, October 18 and again on Thursday, October 19.

Bring your topics to propose. We will walk you through the agenda setting process. Also, check out the helpful info on these two pages:

|                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
