To see all of the groups that need attestation (that you have access to), go to Miscellaneous > Attestation, or if in the global screen, click "Attestation actions Groups that need attestation"

A screenshot of the Grouper web interface. On the left is a sidebar with a teal header containing a "+ Create new group" button. Below this is a "Quick links" section with a minus icon, listing "My groups", "My folders", "My favorites", "My services", "My activity", "Miscellaneous", "Admin UI", and "Lite UI". A red arrow points from the "Miscellaneous" link in this list to the "Miscellaneous" section on the right. Below the quick links is a "Browse folders" section with a refresh icon, showing a tree structure with "Root" and "etc" folders. The main content area on the right has a teal header with "Home > Miscellaneous". Below this is a large heading "Miscellaneous" with the subtitle "Functions across the repository". A list of links follows: "Inherited privileges", "Subject API diagnostics", "Instrumentation", "Loader jobs", and "Attestation". A red arrow points from the "Attestation" link to the left.
