Baseline Expectations Health Checks

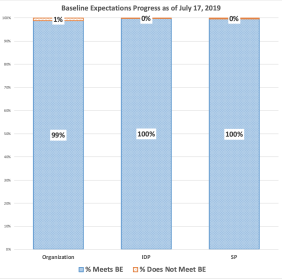

InCommon performs periodic metadata health checks to share Baseline Expectation adoption progress statistics with participants. To find out how you and your peers are doing, check the Baseline Expectations Adherence by Organization list.

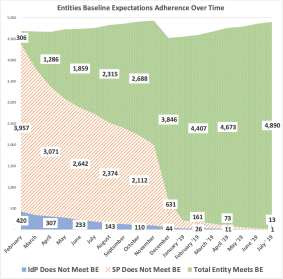

If you would like to find out details about your organization's Baseline Expectations status, please contact help@incommon.org

Baseline Expectations Dashboard - July 17, 2019

About Baseline Expectations

The InCommon Community Trust and Assurance Board hosted a webinar on October 11, 2018 to review Baseline Expectations. The webinar provides an overview of the Baseline Expectations initiative, schedule, and a demo of the Federation Manager, the software Participants use to manage metadata.
