Participants and Requested Topics

Let's Get the Conversation Started!

Advance CAMP is designed and delivered for and by you, but we won't know what your hot topics are unless you post them here. Don't be shy! Please use this page to suggest topics for Lightning Talks, Invited Talks, Side Meetings, or other activitites or offer to lead a discussion.

- 1. Go to the wiki login instructions and follow them until step 3 in the Quick Start to create an account in this federated wiki. (You don't have to send your eduPersonPrincipleName [ePPN] to us.)
- 2. Click on Edit in the top right and choose Edit This Page from the drop down menu.
- 3. Click on the last row of the table.
- 4. Add a line by clicking on the Insert Row After icon above and include your suggestions.
- 5. Don't forget to register for the meeting by clicking on the Registration tab on the left.
