

# Face2Face 2009 Survey

Questions for the Face2Face 2009 Survey:

1. Description of the Framework:
  - a. The EDUCAUSE CG is a short 1 hour meeting that will be used for outreach and spreading the news.
  - b. One Face2Face (probably 1 day long) would be a working meeting where groups would work on deliverables.
  - c. One Face2Face (one day or 1.5 days long) would be attached to another meeting (probably) and would be a mix of reporting out, working and strategic planning for ITANA.  
Does this framework make sense?

EDUCAUSE hosts one meeting a year, Internet2 would host one meeting a year. Would campuses be willing to host 1 meeting a year? What about a modest registration fee for the third meeting.
