Starting Registration

Visit any participating service and log in or click the link below to automatically begin registration.

[Begin Registration](#)

Select your Identity Provider

Select your Identity Provider.

- You can choose from known institutions in the "Access through your institution" button. This will redirect you to your home IdP for authentication.
 - **Note:** The list of institutions is provided by the SeamlessAccess service and includes all known institutions that support federation. Institutions that are only in the OpenAthens federation are currently in the list, but are not supported by Internet2.
- You can choose to sign in with a Google Account.
- You can choose to sign in as an Internet2 Guest (if creating a new guest account, just restart the registration using the 'Internet2 Guest' Option after creating your guest account).

Internet2 Guest Accounts Redirected to Cirrus

After clicking 'Sign In as Internet2 Guest', you will be redirected to Cirrus which will complete the rest of your registration. Follow the instructions on the [Internet2 Guest Guide](#). You do not need to follow any of the remaining steps below.
