

Participant Resources

This page hosts stickers, flyers, posters, etc. that an eduroam Support Organization could use to promote eduroam within its members and community. It is also a repository for program participants

[GÉANT eduroam marketing materials](#) - Created by GÉANT, the global operator for eduroam. Includes branding guidelines for eduroam, as well as premade images, .gifs, and other materials for those wishing to promote eduroam within their own community.
