Baseline Expectations - Entities Missing Necessary Metadata Elements

This is archived content.

The content on this page reflects the work of Baseline Expectations 1 in 2018/19. It is preserved for historical reference only.

For the latest on Baseline Expectations, please visit the Baseline Expectations wiki home page.

The InCommon Participation Agreement requires organizations in the Federation to support Baseline Expectations for Trust in Federation. On April 1, the InCommon Steering Committee accepted the Community Trust and Assurance Board's recommendation to remove organizations' services that do not meet Baseline Expectations. Starting May 15, 2019, the InCommon Federation will begin removing any entity not meeting Baseline Expectations from its metadata.

As of January 21, 2020, all InCommon Participants and their entities meet Baseline Expectations.
