

2019-02-26 New2EA Meeting Notes

Date

26 Feb 2019

Attendees

- [Louis E King \(yale.edu\)](#)
- [Christopher Eagle \(umich.edu\)](#)
- [Jacob Morris \(washington.edu\)](#)
- [Nathaniel Poon \(Emory\)](#)

Goals

- Decide on leadership
- Block in first weeks of the program

Discussion items

Time	Item	Who	Notes
15 m	Ice breaker	Chris Eagle	
25 m	Topic priorities and program blocking	Jacob Morris	<ul style="list-style-type: none">• What areas of the EA practice does this group cover?• What is the scope and what are the options? Business focus, technology related, data related and infrastructure related?• Are lessons about how to advance the practice that should be highlighted?• Are there maturity models or maturity lessons to share? (ITANA EAMM)• What are the key lessons or takeaways that you want other architects get from your work?• What is the best way to achieve those takeaways?• What're the key activities and key results to achieve the objective (whatever that objective is)?• Does this group have a role in bringing members together in new ways? <p>The discussion for this sections was captured at the Itana Charge to Working Groups - New2EA Notes</p>
10 m	Select leadership	All	Jacob, UW and Alberto, BC expressed interest in Co-Chairing the New2EA Working Group. Those in the meeting spoke to their own interests. The group supported the decision that Jacob and Alberto Co-Chair the group, others stepped up to participate in the WG Steering Group, recognizing that additional leadership opportunities will arise.
10 m	Next Steps	All	Jacob and Alberto will set up another planning meeting and invite the New2EA Leaders.

Action items
