2012

[Face2Face 2012](#): Thank you all for another successful Face2Face meeting. You can read the minutes and see the slides from the meeting on the [Face2Face 2012](#) page.

What the Heck Is EA Game: We will be packaging up the game with some changes so you can play it on your campus. Watch for announcements.

[ITANA Discussion 2012](#): The notes for the [ITANA Discussion 2012](#)

[ITANA \(un\)Conference 2012](#): Two topics made it to the top for this (un)Conference: the first was a high-level architectural framework for Teaching and Learning. This includes a capability map. Watch for a working group to form on this topic. The second was a framework for walking people through ITANA's works and other resources. This framework includes a high-level business process flow and links to case studies or resources. Watch for a call to discuss how this could shape ITANA's work.
