

NET+ Canvas

Welcome to the NET+ Canvas Program!

The [Internet2 NET+ Canvas Program](#) is open to all [Internet2 members](#). This wiki page will overview how to make the most of your program participation by providing details on Service documentation, upcoming events, latest Service Advisory Board news, and community resources around the web.

If you are looking details on how to join the program, add licenses as a existing participant, or adopt the latest version of the NET+ Canvas Customer Agreement, please visit the *Engage* Tab of the [NET+ Canvas webpage](#).

Program Benefits:

The Internet2-Instructure NET+ partnership enables institutions to move rapidly through the LMS evaluation process, allowing for faster adoption of a superior learning platform. In addition to discounted subscription fees, Internet2 Members are eligible for these special NET+ Canvas benefits:

- Discounted rates on professional services
- Customized support packages at discounted rates
- Two free passes to InstructureCon, Instructure's annual conference, the first year of your agreement
- Access to subscriber mailing lists, regular program webinars, and other community resources

Program Characteristics:

- Open to all Internet2 members
- Minimum commitment for an Enterprise Customer is 3 years
- Enterprise Customer Agreement (ECA) automatically renews

More information can be found under the *Features* tab on the [NET+ Canvas webpage](#).

Newsletters & Program Updates

Newsletters about the NET+ Canvas Program are issued monthly and soon to be emailed to all Program Subscribers. Missed the latest issue? Note that you can always go back and review [previous newsletters](#), and please reach out to us to ensure you receive them in your inbox going forward.

In addition to monthly newsletters, NET+ Canvas Subscribers may also review our [mailing list archives](#) for additional program updates.

The NET+ Canvas Service Advisory Board meets monthly in collaboration with Instructure to discuss strategic product improvements, program roadmaps, community experience, and more. Previous [SAB meeting agendas](#) are made available shortly after each meeting.

Program Events

July 09-11, 2024: InstructureCon

Get ready to experience a whole lot of learning, and a whole lot of fun! Registration is now open for [InstructureCon 2024](#), and we hope you'll attend from July 9-11 at the Venetian Resort in Las Vegas. Whether you're a seasoned Canvas user or new to the community, you'll leave Instructure's annual conference with fresh ideas, new connections, and actionable takeaways. For questions, check out the [FAQ page](#).

April 2024: In-Person Service Advisory Board Meeting

The NET+ Canvas SAB met in Salt Lake City for their annual in-person board meeting at Instructure's Global HQ office. The full day's agenda can be found here: [2024 SAB Agendas](#).

February 21, 2024: Town Hall

Thanks to everyone that was able to attend our most recent Town Hall outlining the details and benefits of Amendment #9. In September of 2023, an amendment was agreed upon between Instructure and Internet2 to update pricing schedules and introduce bundling for Internet2 members that purchase from Instructure. Meeting recording to be shared soon.

NET+ Canvas Service Advisory Board (SAB)

The NET+ Canvas program is managed by an Internet2 program manager with the support of the NET+ Canvas Service Advisory Board. For more information about Advisory Board membership and activities, please visit the [NET+ Canvas SAB Homepage](#).
