New2EA WG 2020 Call Program

Unless otherwise noted, sessions are conference calls.

The New2EA Working Group is open to Itana Community Group members who are interesting in launching or relaunching an EA practice as well as those already running mature practices. Itana recognizes that the EA role is inclusive of multiple architecture disciplines.

- Business architecture -- Business architects, business stakeholders, business leaders, etc.
- Information architecture -- Information architects, data stewards, business and technical consumers, et.
- Technical architecture -- Technical architects, technical project managers and teams, etc.

Are you interested in leading a session? Please attend a New2EA WG Steering Team meeting or contact the New2EA Chair Jacob Morris

Want to help out? Scribe a call. It's easy. You can scribe in email, in the wiki directly, in a Google Doc. Give a hand. Help out. Take notes.
