Strategy Development

Parent page to contain content for cloud strategy development:

- General guidance and recommendations
- Cloud strategy examples from Universities
- Cloud Provider Comparison

Below is a table where Universities can add a row to share some basic information about their Cloud environment:

Institution Name	Primary Cloud Contact	Cloud URL	Primary Drivers for adopting cloud	Current Cloud approach	Other information
Washington University in St. Louis	John Bailey jwbailey@wustl.edu	https://it.wustl.edu/cloud-strategy/	Research, teaching, administrative.	Cloud preferred	
Indiana University	James Bennett jawbenne@iu.edu	https://cloud.iu.edu	Research, teaching and some administrative	Experimental Cloud	Institutional Profile
University of Central Florida	Jonathan White jonathan.white@ucf.edu	https://it.ucf.edu/cloud/	Operational efficiency and innovation	Cloud First	Institutional Profile
University of Colorado Boulder	Jason Armbruster jason.armbruster@colorado.edu	https://oit.colorado.edu/services/consulting-professional-services/public-cloud-broker	Administrative, Research	Cloud Opportunistic	
Boston University	Gerard Shockley gshock@bu.edu	https://www.bu.edu/tech/plan/cloud/	Enterprise, Research, Teaching and Learning	Cloud First	
University of California, Berkeley	Walter Stokes walter@berkeley.edu	https://technology.berkeley.edu/services/cloud	Administrative, Research	Cloud Experimental/ Cloud Opportunistic	
Harvard University	Ben Rota ben_rota@harvard.edu	https://cloud.huit.harvard.edu/	Administrative, teaching, and some research	Cloud First	
Penn State	Rick Rhoades rrr6@psu.edu	https://cloud.psu.edu	Research, teaching and some administrative	Cloud Opportunistic	Institutional Profile
University of Chicago	Cornelia Bailey cloudcenter@lists.uchicago.edu	https://voices.uchicago.edu/cloud/	Administrative, teaching, and some research	Cloud Opportunistic	
Northwestern University	Matthew Rich m-rich@northwestern.edu	https://cloud.northwestern.edu/	Administrative, Research	Cloud Opportunistic	
Texas A&M University	William Deigaard soren@tamu.edu	https://it.tamu.edu/cloud/	Research, automation, Disaster Recovery, Business Continuity	Transformational Cloud	Institutional Profile
Stanford University	Noah Abrahamson nbfa@stanford.edu	https://cardinalcloud.stanford.edu/	Administrative, Research, Teaching & Learning	Cloud Opportunistic	
National Institutes of Health	STRIDES STRIDES@nih.gov	https://cloud.nih.gov/	Research, Innovation, Enterprise	Cloud Smart	
Georgia Institute of Technology	Marissa Jules mj@gatech.edu	Behind GT login in ServiceNow	Research, Teaching, Administrative, Business Continuity	Cloud Opportunistic
