

Grouper Custom UI example for the Banner team

The intent of this application is:

1. Error page for the non-prod banner SP to help people troubleshoot their access
2. Administrative tool to analyze a team member's access
3. Self-service access analysis

Screenshots for various situations

Can use banner

NGSS and Banner account analysis

If you are seeing this page while attempting to log in to an application, this will attempt to show what the issue is. Generally this is for non-prod and NGSS issues, though sometimes it is used for production Banner, so if you are using production Banner you have the correct link. Please correct the issues below.

- **Non-prod Banner:** you are eligible
- You have been eligible for more than 30 minutes, so Weblogin should allow you through to non-prod Banner
- **NGSS team resources:** you have access (e.g. Jira, Confluence, Box, Clarizen, email list)
- You have been eligible for more than 30 minutes, so Weblogin should allow you through to NGSS team resources (e.g. Jira, Confluence, Box, Clarizen, email list)
- **Two-Step Verification:** you are enrolled
- **Active employee:** yes
- **FERPA training:** yes
- Your FERPA end date is 2020/10/21 07:45. Be sure to [take the FERPA training again](#) before that date
- **Security training:** yes
- **NGSS project role:** employee (not in ISC)
- **Confluence:** you have been eligible for Confluence since the last user sync (6am), so you should have access to Confluence. If you are having issues slack Chris or Isobel to have your account enabled
- **Jira:** you have been eligible for Jira since the last user sync (6am), so you should have access to Jira. If you are having issues slack Chris or Isobel to have your account enabled
- **Banner VPN:** yes. You have had banner VPN access for at least 30 minutes, so you should be able to use the VPN
- **NGSS email list:** yes
- **Box:** yes. You have had NGSS box access for at least 30 minutes, so you should be able to use NGSS box resources

NGSS status: **Can access team resources and can use non-prod Banner**

Pending access to team
