IdP as a Service WG

Call scheduled Monday, August 31. After that call, Mary McKee will distribute a draft to TAC for comment. Will provide an update at the next TAC meeting

Trust and Identity Updates

No updates today

CAMP/ACAMP Sessions

Should TAC and other advisory groups combine for a session at CAMP?

Potential webinar in October - current/past members of advisory groups - Jessica is convening a community webinar. Could be updates from the advisory groups, stories from group members, or both.

Federation Test Environment WG charter

Albert reviewed the draft charter and resolved the comments provided by TAC members. The TAC agreed to move the charter forward. Possible timing is to announce prior to CAMP and propose an ACAMP session. Potential announcement to: participants list, site admin list, CSP alumni, BaseCAMP attendees.

Comparison of Identifiers Used in Federation - transition strategy

Reviewed the comments and clarified various sections of the document. The section recommending not using an email address as an identifier needs some more thought and editing.

Next Meeting - Thursday, September 10, 2020
