

# CACTI Action Items and Actions Record

## Note

This wiki page is no longer maintained as of 2019 and beyond.

- [About this page](#)
- [CACTI Action Items - OPEN](#)
- [CACTI Actions - COMPLETED](#)

## About this page

- This page is designed as a home base for CACTI action items and completed actions.
- CACTI action items will also be tracked in the call/meeting minutes.
- This page provides an additional record of what's pending and what's been completed that can be helpful for staying organized and, in the long run, for tracking accomplishments / history.
