

NET+ Canvas Newsletters

NET+ Canvas Program newsletters are issued each month and contain updates from Instructure, the NET+ Canvas Service Advisory Board, and Internet2 programs more broadly. Here you can find information on upcoming events, meeting summaries, and more. This space is used as an archive for previous newsletters with shareable links to be passed along to colleagues or other community members.

Beginning mid 2024, we'll be making concerted efforts to refresh newsletter content and send monthly newsletters directly to NET+ Canvas Subscribers via email. If you'd like to be included on the email distribution list, please reach out to netplus@internet2.edu.
