## Chairs and Sponsor

**Co-Chair:** Judith Bush

**Co-Chair:**

**TAC Sponsor:** Judith Bush

## About the Federation Test Environment Working Group

The Federation Test Environment Working Group is chartered by the InCommon [Technical Advisory Committee](#) to identify and prioritize relevant testing and validation best practices, procedures, tooling, and environments when:

- An existing or prospective InCommon Participant integrates services (identity provider and service provider) via the InCommon Federation
- The InCommon federation operator introduces changes to federation infrastructure

See [Working Group Charter](#).

## Participate
