

# Trust and Identity PAG Minutes 2021-04-12

**Attendees:** Kevin Morooney, Brad Christ, Marc Wallman, Mark Johnson, Klaas Wierenga, Steve Zoppi, Elaine Alejo, Dean Woodbeck, Ann West, Margaret Cullen, Laura Paglione

**Agenda:**

1. Dynamics relating to the future of R&E federations.
  - a. observations from the group

**Minutes:**

- Introduction of Margaret Cullen from Painless Security to the call as the CACTI rep.

The PAG discussed the changing nature of identity management as it relates to federation, cloud services, IdP as a Service offerings, and what all of this might hold for the future of InCommon and other R&E federations.

Discussions included the need for easier and more widespread attribute release. REFEDS Federation 2.0 working group is working on a report on the best next steps to prepare federations to be ready for the future and security issues. It should be finished soon.

Next meeting: June 14, 2021
