

era-readiness-guide-appendix

DISCLAIMER: Rolling out MFA requirements among eRA users spanning hundreds of organizations is a massive undertaking. As the project unfolds, details shift. This guide reflects our best interpretation of eRA's latest plan as it happens. Things may change. If you are seeing different behaviors, please let us know at help@incommon.org.

About this Guide

Readiness Assessment

1. [Are my users accessing eRA via my IdP today?](#)
2. [Is my IdP ready to support eRA's MFA requirements?](#)
3. [My IdP is ready. What do I need to know?](#)
4. [My IdP won't be ready in time. What will happen?](#)
