be2-adherence-by-org

Congratulations to those organizations that have fully met baseline expectations in metadata!

This page lists InCommon Participants who have published at least one entity metadata via The InCommon Federation. The table indicates each Participant's adherence with the requirements of Baseline Expectations 2. It also provides a count of each organizations registered entities that meets or do not meet BE2 requirements.

Your designated InCommon Site Administrators can update your registered metadata to meet BE2 requirements via the InCommon Federation Manager. Visit the InCommon All Organizations page for additional information about each organization and its registered entities.

If you have questions about this data, please contact us at help@incommon.org.

This data reflects organizations' status as of October 21, 2022.
