Regrets

Action Items

- Continue to review meeting minutes.

Discussion

Announcements and Updates

- Rob reminded everyone of the need to review past meeting minutes and either approve and/or comment on anything that should be fixed.

Results of leadership election (Nicole)

- Nicole is contacting potential candidates to make sure they're willing to serve.

No meeting Tuesday, December 21

- The 12/21/2021 meeting is canceled, due to the holidays.

Welcome of new members, introductions

- Licia Florio and Erik Scott were welcomed as new CACTI members.
- Everyone in the meeting introduced themselves, providing a brief summary of their professional experience.

Bringing new members up-to-speed with the current CACTI workstream

- Topics covered over the past year
 - eduroam
 - Intersection of security topics and IAM
 - A webinar on this topic was conducted in August
 - This work may continue in 2022
 - The future of OIAC in R&E federation
 - The current state of IAM within R&E and where it's going
 - Federation 2.0
 - Midpoint
 - Kevin's work with Klass Wierenga to increase the perceived importance of IAM and federation among R&E infrastructure funders internationally.
- Potential topics for next year
 - Chartering a WG to assess options for linking disparate SSO systems together
 - Responses to REFEDS Fed 2.0 report, Global CEO forum discussions

- Chris Phillips suggested that MFA and assurance
 - Ann West said we could ask Tom Barton to talk about the adoption of REFEDS MFA and Assurance

Questions For The Community

- [SWAG at categorizing Educause questions, ACAMP topics](#)
- (We ran out of time.)

Next CACTI Meeting: Tuesday, January 4 2022 (December 21 is canceled.)
