**Join the conversation** by sharing a [practice profile](#) or [maturity review!](#)

|                                  | Level 1<br>Initiating<br>(Identify)   | Level 2<br>Formed<br>(Validate)   | Level 3<br>Defined<br>(Repeat)   | Level 4<br>Managed<br>(Change)   | Level 5<br>Improving<br>(Future)   |
|----------------------------------|---|---|--|--|--|
| Attribute A<br>Scope Definition  | The initial scope consists of identified opportunities with potential to realize the value proposition.                     | The initial scope is validated through key engagements and optimized to best realize the value proposition.   | The scope is clearly defined and the value proposition widely understood.  | The scope is regularly evaluated and processes to implement changes are in place.  | Investment is regularly made in validating new opportunities to expand scope.                    |
| Attribute B<br>Engagement        | Key stakeholders, ready to explore and support EA capabilities, are identified and relationships with them are established. | Engagements strengthen existing stakeholder relationships and form new professional relationships.  | Key stakeholders value and advance EA within the organization. A network of professionals engaged in EA activities forms.  | EA practitioners are welcomed and integral to the processes of stakeholder organizations.  | The EA practice is a trusted business partner to its key stakeholders.                           |
| Attribute C<br>Impact Assessment | The organizational context is assessed and potential measures of the value proposition are identified.                      | Outcomes of key engagements are measured against the value proposition using qualitative assessment methods.  | Outcomes are measured against the value proposition using established assessment methods and defined metrics.  | Cost benefit is optimized using assessment data and operational costs.   | New and alternative measures are explored, evaluated and adopted to improve assessment accuracy. |
| Attribute D<br>Delivery          | Potential methods are identified to deliver the value proposition within the defined scope.                                 | Delivery methods are validated through key engagements and refined to improve outcomes.   | Delivery methods are well defined and expected outcomes repeatable.  | Delivery methods are regularly evaluated and processes are in place to implement improvements.                                     | New and alternative delivery methods are explored and evaluated.                                 |
| Attribute E<br>Management        | The vision, business case and initial organizational structure for the EA practice is identified.                           | The EA capability is approved by the organization. EA resources are identified and charged. Progress towards the value proposition is tracked and reported to stakeholders. | The EA program has a clear and measured value proposition. Proper financial and staffing resources are available. The program is embedded within the organizational structure of the organization. | The EA practice has processes in place to regularly evaluate its value proposition and to adjust to opportunities and constraints. | The EA practice engages in strategic thinking and long-term planning.                            |

See the [Spring Face2Face 2015 Notes](#) for more on how the participants worked together.

## 2023-2024 Call Program

### Spring 2024

| Date   | Track   | Session   | Materials                     |
|--|---|---|-------------------------------|
| April 12                                     | Applied Architecture #04                      | EA Tools Comparison Vendor #03 - Ardoq Presentation- Peter Churey, Philippe Robataille - Sheridan College           | <a href="#">Meeting Notes</a> |
| April 26                                     | Applied Architecture #05 - Closing Discussion | EA Tool Wrap-Up   |                               |
| May 10                                       | <a href="#">New2EA</a>                        | New2EA Program Takeover!  |                               |
| May 24 ( <i>Friday before Memorial Day</i> ) | NO CALL                                       | No call due to US Memorial Day weekend  |                               |
| June 7                                       |   | Last Call - Review of the year before / looking at next year; IT Governance Working Group Report Out - Mary Stevens |                               |

**Want to lead or propose a session?** Contact the [Itana Steering Committee](#).

**Want to help out?** [Scribe a call](#) -- it's easy!

See the full [2023-2024 Itana Program](#) for more. Details for each call are on the [Conference Call](#) page. Typically, sessions incorporate a brief (15-30 minute) presentation that shares content and elicits valuable feedback from the session attendees. Please contact the [ITA NA Steering Committee](#) if you would like to present.

For working group and steering calls, see the [Events](#) page.
