Welcome to the Internet2 MACE-Directories Working Group wiki

As of November 2018, the MACE Directories Working group is "sunsetted" with the eduPerson function moved to REFEDs.

See the Sunset planning document here.

To sign up for the REFEDs email list handling schema issues:
https://lists.refeds.org/sympa/subscribe/schema-discuss.

The MACE-Directories working group looked at how to describe common identity information for campus and federated relationships.

To obtain editing access to this space (working group members only), see instructions here.

The MACE-Directories email list will be closed sometime in the future with the sunsetting of this working group

Working Group call notes were live-scribed here

Group Chairs: Keith Hazelton, University of Wisconsin and David Bantz, University of Alaska

eduPerson Specification 201602 Approved

The eduPersonOrcid attribute is included in the eduPerson specification (201602)
