

Working Group Call 3-23-09

Performance Working Group Call

Monday March 23, 2009 at 12pm EST

Attendees:

- Carla Hunt - MCNC (Chair)
- Sandor Rozsa - Caltech US LHCNet team based at CERN
- Azher Mughal - Cal Tech
- Jason Zurawski - Internet2
- Aaron Brown - Internet2
- Andy Lake - Internet2
- Emily Eisbruch - Internet2 (scribe)

Presentation

This working group call was a web conferencing session (using WIMBA, a web conferencing tool) on the topic of TL1 monitoring for USLHCNET.

We were fortunate to have Azher Mughal from Caltech and Sandor Rozsa from the Caltech US LHCNet team based at CERN sharing with their experiences with TL1 monitoring on the LHCOPN project.
