- 2013-01-18 dev call
  - [Attending](#)
  - [Dev business](#)

## 2013-01-16 scrum call

### Attending

- Scott Koranda
- Heather Flanagan

### Items covered for this sprint

- [jira tickets listed here](#)

### Scruminess

- What have you done since the previous call?
    - Scott: test bed is up for next week
    - Heather: Sent in the request for a WG session, will consider sending in a track session
  - What are you planning between now and the next call?
    - Scott: LIGO work
    - Heather: work on the VAMP report and the track session proposal
  - Any impediments/stumbling blocks?
    - Scott: just the usual (time)
    - Heather: most of the work is in the hands of the developers at this point
- 

## 2013-01-18 dev call

### Attending

### Dev business

- [jira review and roadmap](#) (hold until we have Marie on the call as well)
