CAMP Pre-Conference Planning Area

Title: Getting Started with Federated Identity Management

Wed Nov 13. , 1:30 pm – 5:00pm

Public Site : <https://spaces.at.internet2.edu/display/CAMP2013/Getting+Started+with+Federated+Identity+Management>

Google Doc with outline of presentations: <https://docs.google.com/a/internet2.edu/document/d/1tpnycCkmu6pZ3nVDHTn5XK82SnNjjKwc3wwA28PJrU/edit>

Roster: <http://www.incommon.org/idweek/rosters/precamp.cfm>

TIME	TOPIC	Faculty
1:30-2:00	Intro and overview, including going around room for attendees to state their motives/goals for attending	Renee Shuey, Penn State
2:00-2:20	Introductory knowledge of IdM and federation	Nathan Dors, University of Washington
2:20-2:25	Q&A	
2:25-2:55	Breakout Exercise #1 (Drawing your environment and discussing use cases and trust relationships)	
2:55-3:10	Break with Refreshments	
3:10-3:25	Report-out from breakout #1	
3:25-3:45	Security implications of IdM and federated IdM, including data sharing (include a case study)	JaneMarie Duh, Lafayette College
3:45-3:50	Q&A	
3:50-4:20	Breakout Exercise #2 (Becoming familiar with the InCommon Federation Participant Operating Practices)	
4:20-4:30	Report-out from breakout #2	
4:30-4:50	An introduction to InCommon and how to get started (to include MCNC case study and perhaps Lafayette College Cert Service short case study)	Steve Thorpe, MCNC
4:50-5:00	Q&A and wrap-up	Renee Shuey, Penn State

Topics / Faculty:

Moderator: [Renee Shuey, Penn State](#)

1. Introductory knowledge of identity management and federation: [Nathan Dors, University of Washington](#)

Breakout Session #1: A gap analysis specific to your campus

2. Security implications of IdM and federated IdM: [JaneMarie Duh, Lafayette College](#)

Breakout Session #2: ??

3. An introduction to InCommon and how to get started: [Steve Thorpe, MCNC](#)

Topics to Possibly Include:

- InCommon joining logistics
- Vendor arm-twisting – make it a requirement.
- R&S category
- Assurance
- Certificate service
- Managing your metadata
- NCTrust case study

Materials to Get Ideas From

Mark Scheible and Larry Conrad's slides from the 2010 CAMP Preconference (PDF format): ["The Big Picture - Introduction to Federated Identity Management"](#)

The [Federation and IAM workshop](#) held 10/22/2013 in New Bern, NC produced some potentially useful materials, including:

- [Identities and Account Provisioning](#) by Ken Ingle, CPCC
- [Privilege and Access Management \(Groups, Roles, Entitlements\)](#) by Jan Tax, UNC Chapel Hill
- [Overview of Federated Identity Management \(FIM\)](#) by Mark Scheible, MCNC
- [FIM Implementation at UNC Chapel Hill](#) by Jan Tax, UNC Chapel Hill
- [Technical Discussion of Shibboleth Configuration \(from 100,000 feet\)](#) by Steve Thorpe, MCNC

Planning Call Minutes

[Oct 30, 2013](#)

[Oct 23, 2013](#)

[Oct 16, 2013](#)

[Oct 9, 2013](#)

[Oct 2, 2013](#)
