MEETING NOTES: *(Call Recorded)*

Policy Reminder

http://www.internet2.edu/membership/ip.html

1)   Brief updates from each of the pilots

a)   UEN – The pilot is underway. Jim Stewart will be giving the update at the Workshop

b)   Nebraska – they are refining their slides and have had a discussion with InCommon scholarship with Ann and Bernie. They have also had IVP discussions

c)   Maryland – They are continuing to work on the presentation and will be including K-12 and extension of the program. Testing is a driver

d)   Merit – Ready for the presentation. The Pilot is stalled at this point. They are curios to learn how to generate more interest

e)   MCNC – Moving along and trying to get things completed. Davidson College Meta Data is part of InCommon. They are trying to set up Moodle Room data submitted. They must submit since they own the domain.

f)   Comments about the roadmap Ann sent out?

i)   Nebraska is hoping to get a response
