Documentation TO DOs for Grouper 2.2 Release

NEW DONE COLUMN, TO MAKE IT EASIER TO SEE WHERE WE STAND	Task	Need Training Video Changes /Updates?	Responsible Person	Target Date	Completed
	Produce training video highlighting the new features in Grouper 2.2 , HAS OUTLINE. Shared the powerpoint at https://internet2.app.box.com/files/0/f/2140409116	yes	Dave		
	Produce Grouper training video on the new Grouper UI, Started an outline and put it on the outline page of training wiki ,	yes	Shilen		
DONE	Decide how we should refer to the "new" UI in the doc. DONE: It will be called "Grouper UI" with a note that it's called "New UI" in the distribution		Emily	done	June 25
	Define the three UIs in the Grouper Glossary		Emily		
	Document new Grouper UI, including config options (need user doc and configuration doc)		Chris		
	Explain what the LITE UI and ADMIN UI are still needed for: Grouper Web UIs page		Chris		
	Update pages on Admin UI and LITE UI to indicate there is a 3rd UI now. Update paragraph on "Background on Web UIs" on this page		Chris		
DONE	Update this page: Admin UI Installation		Chris / Emily		
DONE	Update this page on Customizing the Grouper UI (does it apply to all UI's?)		Chirs/Emily		
DONE	Is the page on Customizing the Grouper UI still relevant? There are many links that don't work, such as in the section on "Modifying Existing Structs Actions, Adding new Actions, and Making New Tiles Definitions Available"		Chris		
DONE	In Getting Ready for Production with Grouper , update the link for the UI in the first bullet? CHRIS suggests still linking to "WEB UIs " page but changing that page to be an overall home for all UIs		Chris/ Emily		
DONE	Misc. question on Getting Ready for Production with Grouper, should we mention setting up the Wheel Group ? — DECISION — it's OK		Chris		DONE
DONE	Add the new UI to the Components list		Emily		DONE
DONE	Review the Architecture Diagram (REVIEW IS DONE. EMILY NEEDS TO LINK the new (Bill T) diagram and the Newcastle diagram on this page)		Tom /Emily		
DONE	Review the documentation on Organizing Services in Grouper		Chris		DONE
	Review documentation connected to Grouper API changes and web service changes for 2.2 includes changes for getmembers and hasmember, etc (memberships and privileges can be interchangeable) Includes changes to the Java API -- CHRIS WILL DO		Chris		
DONE	Review doc on integer IDs on Grouper Objects OK, EE MOVE TO ADMIN GUIDES UNDER Provisioning and Integration subhead		Chris		DONE
DONE	Review doc on Config Overlay EE MOVE TO INSTALLATION AND CONFIG SECTION		Chris		
DONE	Be sure to call OUT THE CHANGES FOR THE CONFIG FILES WITH THE 2.2 UPGRADE IN ALL APPROPRIATE PLACES! This could become an upgrade pitfall. SHILEN, please OUTLINE the Exact considerations more clearly than what we now see in the upgrade steps page		Shilen Emily		
DONE	Review documentation on Grouper User data DON'T MOVE IT TO ADMIN GUIDES . IT'S BACKGROUND, linked from Grouper 2.2 Planning pages only		Chris		DONE
DONE	Review XML import export wiki page IT'S OK DONE				DONE
DONE	Legacy Attribute Migration (SHILEN UPDATE IT AND EE MOVE to ADMIN GUIDES, IT WILL BE LINKED FROM 2.2 UPGRADE PAGE)		Shilen		
DONE	Review and update Custom Groups Types and Fields doc EE ADD LINK TO UPGRADE STEPS (done)		Shilen		
DONE	**** Release Notes for Grouper 2.2 release .		Chris		
DONE	****Review/Update the Grouper Downloads page		Chris		
DONE	Review the Upgrade instructions and ensure they are linked from the correct places	Shilen?	Emily		
DONE	****update PAGE ON changes in 2.2		Chris		
	Grouper Installer Video Does it need any updates for 2.2? Probably it's OK		Chris		
	Tom's Grouper Toolkit Components video , see minutes 6:25 - 7:44 on the UI, does it need updating for 2.2?	yes	Tom		
DONE	Ensure wiki pages on new features are linked from the Admin Guides page (not from the development section of wiki) , This includes page on SCIM interface and on the new features above.		Emily		MOVED SCIM page, moved Config Overlay page, Moved, Integer ID page
DONE	Add SCIM Connector to components overview connectors chart		Emily		DONE
	Overall review of documentation, including Glossary		Emily		working on it
DONE	Update SCIM doc to mention which grouper operations translate into which SCIM operations		Dave		DONE
