Fall 2010 Atlanta, GA

Collaboration SIG, Fall 2010 Atlanta, GA Wed Nov 3 Waverly Room

Moderator: Gurcharan Khanna, Rochester Institute of Technology

Purpose:

Why aren't advanced real-time collaboration tools being used more widely? What are some examples of projects that are successfully using them? What are the advanced technologies that warrant our experimentation and pilot use? Come share your thoughts and experiences and listen to ours as we try to create a community of users through this Special Interest Group devoted to promoting the successful adoption of advanced collaboration tools.

Presenters:

Jeff Harrington, Senior Network Engineer, NYSERNET, Worldwide Collaboration Project

Scott Deal, Indiana University Purdue University Indianapolis Music and Arts Technology, Donald Tavel Arts and Technology Research Center, Artistic Collaboration

Gurcharan Khanna, Research Computing, Rochester Institute of Technology, The RIT Global Collaboration Grid
