Spring 2013 Arlington, VA

19th Collaboration SIG, Fall 2013 Arlington, VA Tue Apr 23 Jefferson

Moderator: Gurcharan Khanna, Rochester Institute of Technology

Purpose:

Why aren't advanced real-time collaboration tools being used more widely? What are some examples of projects that are successfully using them? What are the advanced technologies that warrant our experimentation and pilot use? Come share your thoughts and experiences and listen to ours as we try to create a community of users through this Special Interest Group devoted to promoting the successful adoption of advanced collaboration tools.
