

CManage Presentations

Much of the information we share with the community is through presentations. This section highlights our presentations over the years. Please note which tool each presentation is about and the date that the presentation was given!

File	Comment	Labels	Thumbnail
2018-01 CSP-Introduction to CManage Registry.pdf	Presentation for the Campus Success Program during 2018. Presentation describes CManage Registry including its features, use cases, and data structure. The presentation also addresses scalability.	presentations 2018-01 csp comanage registry media	 2018-01 CSP-Intr...age Registry.pdf
2020-03 Dev-CManage Developer Workshop.pdf	Presentation prepared in March 2020 as an orientation to prospective CManage developers.	presentations training developers 2020-03 comanage media featured	 2020-03 Dev-CO...r Workshop.pdf

2020-03 Dev-What CManage UI Developers Need to Know.pdf	Presentation about the CManage UI features prepared in March 2020 as an orientation to prospective CManage developers.	presentations training developers comanager 2020-03 media featured	 2020-03 Dev-Wh...ed to Know.pdf
