buddygroups

Buddy Groups formed at CAMP in Philadelphia, June 2009

Several Buddy Groups were proposed on the final morning of CAMP in Philadelphia. These are groups that can organize as desired -- through conference calls or emails -- to share access management information and experiences going forward.

Oracle

Leader: Todd M. Tomashek, University of Illinois at Urbana-Champaign, tomashek@illinois.edu
Scott Fullerton, University of Wisconsin, sfullerton@wisc.edu
Rob Carter, Duke, robert.carter@duke.edu
Liz Salley, University of Michigan, salley@BF.UMICH.EDU
Donna Tatro, Princeton, tatro@Princeton.edu

Sun IdM

Leader: Tom Dopirak, CMU, tgd@andrew.cmu.edu
Bob Landsparger, Michigan Tech, rel@mtu.edu
Rhian Resnick, Florida Institute of Technology, rresnick@fit.edu
Jim Beard, University of Oregon, jimbeard@uoregon.edu
David Bantz, University of Alaska, db@alaska.edu
Jens Haeusser, UBC, jens.haeusser@UBC.CA

Kuali Identity Management (KIM)

Leader: Jens Haeusser, UBC, jens.haeusser@UBC.CA
Tom Barton, Univ of Chicago, tbarton@uchicago.edu
R.L. Bob Morgan, Univ of Washington, rlmorgan@washington.edu

TOPIC: Sharing experiences with and developing practices for workflow

Mike McDermott, Brown
U Penn
U Wash
MichTech
Michigan
Illinois
Florida
MIT
Penn Sate
CMU
UBC can share information

Note: All interested in the workflow topic are invited to join the discussion on the ITANA calls. See www.itana.org.

TOPIC: How to analyze campus group and role issues and determine how to proceed

This is a general startup issue

Make this an [AI] for the MACE-paccman working group

Note as of 30-June-09 : The MACE-paccman working group briefly discussed this [AI] at their call on 25-Jun-09. They needed more clarification on what this topic involves if they are to consider working on it in some form.
