# 2015-2016 Itana Program

Unless otherwise noted, sessions are conference calls; see the Conference Call Details page for information.

*Are you interested in leading a session?* Please contact the ITANA Steering Committee.

The ITANA program is intended not just for enterprise architects, but for a wider audience including:

- Business architecture -- Business architects, business stakeholders, business leaders, etc.
- Information architecture -- Information architects, data stewards, business and technical consumers, et.
- Technical architecture -- Technical architects, technical project managers and teams, etc.
